

*Discover a world of
endless possibilities...*
STUDY ABROAD!

Otterbein College is pleased to announce our annual International Festival from February 15-19, 2010. Festivities throughout the week include faculty and student led presentations, the Global Dinner and Show, and Otterbein's first ever international education fair.

Thinking about studying abroad? Whether you are interested in taking an African safari, traveling to the Great Wall of China or camping in Costa Rica, come listen to returning study abroad students as they share their exciting experiences.

The Center for International Education and Global Engagement is hosting Otterbein's first-ever international education fair on Wednesday, February 17th. Stop by the Campus Center from 11AM-3PM and learn about study abroad programs all over the world. The event is free and attendance is encouraged from the entire Otterbein community.

The Global Dinner and Show will take place on Thursday, February 18 at 6:30PM. The event will showcase delicious recipes and multicultural entertainment from our very own international community. We hope to see you there!
